6.1.1 Mention two practices of decentralization and participative management during the last year (maximum 500 words)

**Vision statement of the College of Nursing Navi Mumbai** “Aspire to be model of excellence through dynamic programme, innovative practise and research.”

**Mission statement of the college**

Prepare a competent professional nurse to meet the global health care needs.

To ensure quality education through quality nursing care and humanitarian values.

- ☐ Achieve students focused environment that includes spirit of inquiry creativity and
- ☐ Promote extensive use of ICT. Develop student’s leaders through community oriented health care practices.
- ☐ Practice professionalism through dynamic education
- ☐ Develop collaboration with national international health care agencies to connect the stakeholders in achieving the health goals of society.
- ☐ To promote quality research in diverse areas of development and engage in application of knowledge for community development;

Decentralization and participative management activities are carried out by the institute involving faculty and students in both academic and extracurricular works.

The two practice that are followed at institute level are elaborated below:

1.Academic planning:

Clinical placement plan for UG and PG students’ responsibility is totally given to the respective subject or speciality in charges.

Along with academic curriculum knowledge enrichment classes and visits given to the students. Best example is visit to eye hospital and institute, Sanpada. Our UG AND PG students has visited hospital and helped them in health education of patients regarding postoperative care in eye surgeries and hospital doctors had teach our students regarding major eye disorder and post operative care

2.Extracurricular activity planning:

Planning and execution of whole cultural week and sports week activities are given to students majorly under supervision of faculty in charge.

Majority of students are participating in state level intercollegiate and interuniversity competitions which helps them in developing confidence, personality and good communication skills. Directly or indirectly it contributes in knowledge also. Example our students has participated in Nutrition-dietetics competition organised by MGM college of Kamothe
