

**BHARATI VIDYAPEETH DEEMED UNIVERSITY**  
**COLLEGE OF NURSING, NAVI MUMBAI**

**GRADUATES ATTRIBUTES**

Graduate attributes are wide ranging set of qualities which you will develop during your time as a student, in preparation for employment, further study and citizenship. Each student at the college are from different educational backgrounds, cultures and experiences. While studying at the college we want students to broaden their horizons and attitudes, and to develop their current skills and abilities and learn new ones, not only to help in their studies and future careers, but also support their role within society. Teachers should be helping, supporting and encouraging students to learn and develop the attributes. Students need to reflect on their current strengths, skills and abilities they need and which need to be developed. Students should be seeking out opportunities to develop their unique set of attributes.
